

FOR OUR CUSTOMERS AND PROSPECTIVE CUSTOMERS

During this uncertain time, our customers' health and wellbeing is our highest priority. As we continue monitoring developments related to Coronavirus (COVID-19), rest assured, we are committed to doing everything we can to ensure our customers and employees are safe.

We are taking the following precautions regarding our services:

- Suspending all interior services/treatments unless absolutely necessary
- Ensuring our team wears proper gloves and masks if entering your home

As a note, we are running on normal business hours at this time. Should you have concerns regarding our services, we're here to support you and offer flexibility to reschedule at your convenience. We encourage you to contact us at 800-585-8019 if you have questions or do wish to reschedule.

As the seriousness of this virus increases, **all of our employees have been instructed to follow the CDC's best practices**, including frequent hand washing, limiting proximity to sick individuals, and being aware of symptoms. While this has not been an issue for Palmetto Exterminators yet, we will also implement 14-day quarantines for any employees who are diagnosed with COVID-19.

Finally, our hearts go out to all those affected by Coronavirus. Please check back for regular updates from us as we navigate this evolving situation, and thank you for being a part of our Palmetto Exterminators family.
